FRIDAY 22ND DECEMBER LAST DAY OF AUTUMN TERM—SCHOOL RE-OPENS ON MONDAY 7TH JANUARY 2019

'HARVEST'

A big thank you to everyone who contributed to our 'bring a tin' request which was linked to our Harvest Assembly. We received a large number of donations and these were given to the local food bank who were very grateful.

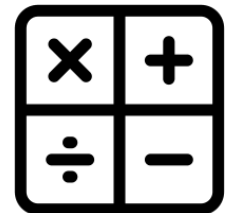

Year 1 had a visit from the Meet a Creature team. All of the children had the opportunity to learn about and to handle creatures that they would not normally meet, such as a corn snake, tarantula and stick insects. We all really enjoyed meet-

ing the animals, especially the chin-chilla.

F2, Ms Baker's Class, are having a 'Maths' session which parents are invited to. The theme of the session will be 'How to help your child with maths' at 9.00am on Wednesday, 28th November 2018.

F1—Story Telling Session on 28th November at 9.00am. This will be an opportunity for parents to stay and listen to the story of 'The Gingerbread Man' re-told by the F1 children. These sessions are very popular with both parents and children. All F1 parents attending will receive a copy of the book 'The Gingerbread Man' to enjoy at home. Please put the date in your diary or phone!

£1.00 per session to be paid in advance of attending the club/clubs

ATTENDANCE

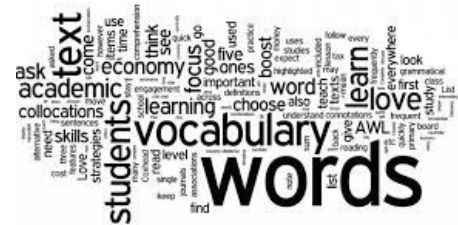

Did you know that as a parent/carer it is your legal responsibility to ensure that your child is accessing education in order for them to achieve, aspire and improve their life chances? As a school, we passionately believe that by working in partnership with families we can maximise success for all children.

To support this, St Ann's has an Attendance & Family Support worker, Melanie Jago. Melanie works within school on Wednesdays every week. Melanie may contact you by telephone or come round to your house to discuss your child's absence and to offer any support to improve your child's attendance. Please do not hesitate to contact her if you are experiencing any issues around your child's attendance. She is here to help you, as is your child's teacher and the rest of the team at St Ann's.

If your child has a medical appointment, please can you show the school office their appointment card so that the absence may be correctly recorded as an authorised medical absence.

Please note that, in-line with Government policy, we cannot authorise any holidays during term time.

2018-19 School Focus...

Meet our Year 5 science ambassadors, looking great in their lab coats and fresh from our science ambassador training event at the Phiz Lab at Springbank Primary School. Dunya, Archie, Ethan and Shamora are planning lots of fun ways to share science with children and families around school. Why not join in our lunchtime Pop-up Science labs, be amazed by our Science busking at the Christmas fair and parent evenings and take part in Family science night? Look out for further details coming soon.

Please note:

LATE ARRIVAL INTO SCHOOL:

Please ensure your child arrives at school on time—classroom doors open at 8.50am and close for registration at 9.00am. If your child is late, you are required to complete a late slip explaining the reason for the absence. Late arrivals are monitored by the Attendance Officer.

LATE COLLECTION:

If you are late in collecting your child from school (school finishes at 3.15pm) please could you contact the school office to let them know. You will be required to sign in the 'Late Collection' book at reception, explaining the reason for the lateness in collecting your child/children.

AFTER SCHOOL CLUBS:

If your child is attending an after school club, please could you arrange to collect your child at 4.30pm, or, if you have an appointment, please collect your child at 3.15pm. Please do not collect your child between 3.15pm and 4.30pm as there may not be a member of staff in reception to assist you.
