*Whilst an appeal received outside of the deadline from the date of refusal will normally be accepted, this will only be up to the end of a discretionary period of 3 calendar months from the date of the refusal. Any appeals lodged beyond the 3 calendar months will be automatically rejected as out of time.

If there is a significant change of circumstances, then the appellant can request the admission authority to reconsider their application. If this application is reconsidered and subsequently refused, then this would lead to a further right of appeal with a fresh deadline date.

If you submit an appeal, you will receive at least 10 school days' notice of the date and time of your appeal hearing.

If you have additional information you wish to be considered after you have returned your completed appeal form, you should send this to the clerk to the appeal panel at least 5 school days before the date of the appeal hearing. The address for the Clerk is set out on the appeal form. If you do not submit it by this deadline, the panel does not have to consider it as per paragraph 2.7 of the School Admission Appeal Code 2022.
